**Mr. Soknyra Te**
Project Manager

Company: **ZINATION**
No. 411E1, Sisowath,
12207, Phnom Penh,
Cambodia

Dear Mr. Soknyra Te:

Seeking an web developer, I got the announcement from ERO team that your company need Web developer. I am so interested in applying for this position at your company. I am a person who likes to challenge myself with different kinds of environment. I wish I could work and adapt with your company's environment.

With school projects such as Application quiz with Node JS, Game space invandce with Python TK, Facebook version 2.0 by PHP /Database, I could improve a lot on my IT skills such HTML&CSS frontend, JavaScript, Node JS, Database, PHP, Laravel, and OOP  I could also use my soft skills such as communication, leadership, problem solving, note-taking, time and task management etc.

Beside the course work and any projects from teacher, I also join a lot of workshops such as leadership, communication skill, and other technical skills provided by PNC's partners or the outside companies. Because of these workshops, now it brings me to a confident person who can face and solve any problems by myself.

Through my education and experience background, I believe that I have enough qualification to fit with this position. For more information, please contact me by phone number or email address above. Thank you for your time and consideration. I am looking forward to hearing from you soon.

Best regards,

Tim Bin.
